Vital Statistics for 1985

This Book is dedicated
to the Memory of
William B. Meserve
August 18, 1919 - June 16, 1985

Dear Friends and Fellow Citizens:

I cannot thank you enough for your prayers, moral, and physical support you have given me during this past year. Our Town, Wakefield, N.H. epitomizes the heart and soul of small town U.S.A. and love of fellow mankind.

Bill

(Written by Bill just prior to his death)

DEDICATION

Bill was elected to the Wakefield Board of Assessors in March, 1981. In March of 1984 he was elected to the Board of Selectmen, and re-elected to the Board of Assessors.

From October, 1983 when Bill was appointed Director of the Wakefield Area Ambulance Corps, he was dedicated to the Corps, guiding them through problem times, and handing out praise when deserved.

For many years Bill was a great asset to the Wakefield Police Department, available all times of the day and night assisting with legal documents and counseling.

Bill not only served conscientiously in all these positions but, above all, he was our friend and number one promoter. A part of Bill and the memory of the rapport we shared will always be with us.

To the Inhabitants of the Town of WAKEFIELD in the County of CARROLL in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Wakefield on Tuesday, the eleventh day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

ARTICLE 1. To choose all necessary Town Officers for the year ensuing.

ARTICLE 2. Are you in favor of the adoption of the zoning ordinance as proposed by the Planning Board?

ARTICLE 3. Are you in favor of the adoption of the amendment to the existing building code as proposed by the Planning Board?

You are hereby notified to meet at the Town Hall in said Wakefield on Saturday, the fifteenth day of March next, at seven of the clock in the evening, to act upon the following subjects:

ARTICLE 4. Are you in favor of entering into a contract with the Union Fire Precinct to furnish fire protection for the rest of the Town outside the Precinct in the amount of fifteen thousand, five hundred sixty-two dollars (\$15,562.)? (Recommended by Budget Committee)

ARTICLE 5. To see if the Town will vote to establish a Town Fire Department with three fire commissioners appointed by the Board of Selectmen for three year staggered terms; and to authorize these Commissioners to develop and administer policies and bylaws for the day to day operation of said fire department.

ARTICLE 6. To see if the Town will vote to accept the fire fighting assets, equipment, vehicles, and paraphernalia offered by the Sanbornville Precinct.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of thirty-one thousand, nine hundred eight dollars (\$31,908) for the operating expenses of the Town Fire Department (Sanbornville Station). (Recommended by Budget Committee)

ARTICLE 8. Are you in favor of entering into a contract with the Sanbornville Fire Precinct to furnish fire protection for the rest of the Town outside the precinct for the period January 1, 1986 thru March 16, 1986 in the amount of four thousand seven hundred eighty-six dollars (\$4,786.) (Recommended by Budget Committee)

ARTICLE 9. To see if the Town will vote to appropriate withdrawal from the Federal Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against the following budget appropriations in the amounts indicated:

Town Officer's Salaries	\$10,000
General Government Buildings	10,000
Administrative Salaries	20,000
Administrative Expenses	10,000
	<hr/>
Total	\$50,000

(Recommended by Budget Committee)

PROGRESS REPORT MUNICIPAL SEWERAGE TREATMENT AND WATER FACILITIES

By July of 1985, the design was finally completed and the necessary state and federal approvals obtained for Phase I of the project, the laying of sewer lines and the replacement of water lines. Bids were received in August from only two bidders, reflecting the current work load of contractors engaged in such projects. The low bid was about \$350,000 high for the sewer portion and \$90,000 high for the water line portion. The Selectmen and the Water Commissioners elected to reject the bids.

As a result of cost information gleaned from the bidders, the project was redesigned, and time for completion extended to December of 1986. Bids were again received in December of 1985 and came in on budget. The work should commence in early spring.

Phase 2 of the sewer project, the construction of the septic field, is in the final design stage, and should be put out for bid by late April of 1986. It is possible that the work can be done concurrently with Phase 1 and the entire project completed by December of 1986.

Respectfully submitted
& optimistically yours,
JOHN HRABA
Coordinating Engineer

AUDITOR'S OPINION

Board of Selectmen
Town of Wakefield
Town Office
Sanbornville, NH 03872

Members of the Board;

We have examined the financial statements of the Town of Wakefield for the year ending December 31, 1985, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and included such tests of the accounting records as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the Town of Wakefield at December 31, 1985 and the results of its operations and changes in financial position for the year then ended, in accordance with generally accepted accounting principles applied on a basis consistent with the preceeding year.

JOHN B. HRABA
STEPHEN MICHALSKY, JR.

AMBULANCE REPORT

The Wakefield Area Ambulance Corps answered 162 calls and transported 145 patients. These runs include coverage of 41 auto and water accidents, 106 home accidents and sudden illnesses, 8 sudden deaths at home and 4 fire standbys.

Last March the Town of Wakefield voted the money for a new ambulance and ambulance radios. It was through the guidance and direction of our former Director, William Meserve, that we were able to get the ambulance the Corps felt would best serve our town, and make our work more efficient.

Our 1985 Wheel Coach Ambulance arrived in early September and put into full service Oct. 1st. During that month Corps members had extensive training, in driving and operating the new equipment.

The Wakefield Area Ambulance Corps has a Memorial Donation Fund. From these monies we purchased \$2,800 new equipment to replace broken or outdated equipment we had been using. We also paid to have the lettering put on the new ambulance from this fund.

The Corps presently has 11 members comprised of one registered nurse, two EMT's, seven Advanced First Aiders and one Auxillary Member. Union has four First Responders, who are always willing to help us out in their area, and we appreciate their response and assistance. Thanks, guys!!

We always are looking for new members to join the Corps. We are planning to start an Advanced First Aid Course in March. Any interested people may call the Selectmen's Office to sign up for the course, or call Director Kathie Giffin at 522-3438.

KATHLEEN GIFFIN, Director
Wakefield Area Ambulance Corps

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGERS

Between July 1984 and June 1985, we experienced more forest fires throughout our state than in any year in the last 50. Two of the leading causes of the 1,605 fires were children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call you Forest Fire Warden.

If you own forest land, you will become responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

HIGHWAY DEPARTMENT REPORT

In 1985 the Highway Department successfully cleared and sanded roads without major problems.

In addition to regular road maintenance and repair work we:

Graveled approximately 2500 feet of Pickpocket Road; rebuilt, installed drainage, and sealed 3300 feet of Stoneham Road; rebuilt and sealed 3100 feet of Ballard's Ridge Road; sealed Willey Road; cut and chipped brush on Witchtrot Road; hauled crushed gravel to Heath Road, Pond Road, Brackett Road and Wansor Road; and shimmed Old Stage Road and repaired culverts.

Scheduled replacement of the teeth on the front end loader was completed. In addition, major, unanticipated repairs were done on a spreader, the Austin-Weston grader, and on the 1980 International truck.

The purchase of a 1-ton truck with plow and spreader is proving to be a welcome and efficient addition to the Highway fleet.

Hurricane Gloria on September 27, 1985 left the road crew with approximately 1½ weeks worth of clean up, including some overtime and unanticipated part time payroll expenditures.

ROBERT A. SMITH, JR.
Superintendent of Highways

PARKS AND RECREATION REPORT

1985 was a year of change for recreation programs in Wakefield. The Parks and Recreation Committee now sponsors the Little League, Ballfield, and Basketball programs which were previously privately sponsored.

With this year's expanded budget we were able to offer additional summer activities, expanded Lovell Lake Town Beach hours, and a successful ice skating program.

In 1986 we hope to offer additional new programs in the Tee Ball and Soccer and a larger skating ice rink at a more permanent site. Free swimming lessons and programs in Basic Water Safety and Advanced Life Saving will be continued. In addition, we hope to re-seed the Town Ballfield and continue work on a new access to the field.

WAKEFIELD PLANNING BOARD REPORT

The Planning Board met regularly on the last Thursday of the month throughout 1985. Over that period we reviewed and approved 32 subdivisions as compared to 23 subdivisions in 1984.

The number of new building lots created by these subdivisions is 185.

Presently we are proposing a zoning ordinance and an amendment to the Wakefield Building Regulations to be presented to the Town for a vote at the March election.

WAKEFIELD POLICE DEPARTMENT

Town Report - 1985

The rapid growth and development our Town is experiencing is creating new problems for the Police Department. Note the following changes:

- Increased Population
- Increased Traffic
- Business Expansion
- Four Season Tourism
- Increase in Crime
- New Types of Crime

These changes increase the need for serious public awareness, and a combined effort on the part of the community and the Police Department to actively effect crime prevention methods.

A growing concern is the increase in burglaries. Nationally, statistics show over three million burglaries a year occur. That is one every eight seconds. Few burglars are caught. More than 80% of these burglaries go unsolved. Police prevention and detection are difficult because of lack of witnesses or evidence to identify the criminal.

Wakefield is no longer a community where everyone knows his neighbor. The influx of new people make it difficult to identify strangers who come into the Town not to reside here, but to commit crimes.

Awareness can make this a safer Town. At the end of this report is a list of tips to help prevent burglaries. Please read and be guided by these important prevention methods.

WAKEFIELD CRIME ANALYSIS

UNIFORM CRIME

Theft	86	79	68	68	56	66
Crim. Misch.	81	85	32	30	50	78

In examining the above figures, you will notice that for the

first time since 1980 there has been an increase instead of a decrease in the Crime statistics for the Town.

Burglaries rose from 28 in 1984 to 43 in 1985. Eleven burglaries were cleared by arrest, which reflects a 26% clearance rate.

At this time, the Department is actively engaged in the investigation of the uncleared burglaries. We are awaiting Lab results from Concord that could conclude the investigation, with arrests in many of the cases.

JUVENILE ACTIVITY

Our Investigator, Timothy Merrill, has completed training at the N.H. Juvenile Institute, and will be working on

Juvenile problems. This specialization is an asset to the Department, and an increasing necessity.

With the influx of new families to the community, it is anticipated there will be an increase in juvenile problems. The real difficulty in dealing with juveniles stems primarily from youngsters who have little or no parental supervision. Finding solutions, and constructive paths for these children is a continuing challenge. Efforts to make parents more responsible are constantly being made by the Department.

In conclusion, we continue to be hampered by resignations of Department members for better paying jobs in surrounding Towns. This is a serious loss to the Town. We have spent time and money selecting and training a high calibre of personnel. They become familiar with the Town, the people, and their needs, and people develop confidence in knowing their officers. However, the qualifications, development and training of these officers make them choice candidates for higher salaried jobs.

Serious future consideration of comparable salaries is going to be necessary if we are going to keep the officers we train. We cannot practically continue to invest in manpower that benefit other communities. It is important to retain officers of high standards who have gained the respect and confidence of the community.

I want to thank the Selectmen, members of the other vital services of the Town, and outside Law Enforcement Agencies, for their support of our Department.

The members of the Department regret the passing of Selectman William Meserve, whose cooperation and concerns for our agency will be sorely missed. He was a good friend.

Charles E. Sullivan

TIPS TO HELP PREVENT BURGLARIES

1. Have good locks on all doors and windows.
2. Don't hide key - if you can hide it a burglar can find it.
3. Be alert for any unusual activity.
4. Put things away - don't invite thefts.
5. Secure patio doors with a strip of wood in inside track.
6. Use lights effectively - both inside and outside.
7. Have concern for your neighbor - Report any suspicious activity.
8. Failure to cooperate with Police, and failure to report losses quickly, make police work more difficult.
9. Ability to describe personal property - having an inventory makes recovery and ID possible.
10. If you have been burglarized - Don't touch anything. Leave everything exactly as you find it so evidence won't be destroyed.

Call the Wakefield Police Department. Even if you only suspect a problem, we'll be glad to investigate.

GAFNEY LIBRARY

This has been a busy year at Gafney. The Library is growing, and with a lot of new residents coming in to register, we now have almost 500 active members.

In the Serendipity Room, Barbara Winton, Program Director, holds a children's program once a month for the Kindergarten, Nursery School, and the Special Education class from the Paul School. The Kindergarten comes into the Library once a week to take out books.

A Season for Growing was the theme of the summer program for children held during July and August.

We had a very successful hardcover book sale in July, and with the proceeds purchased a 6 volume set of **Lands and People**, a geography of the six continents. We also purchased a 24 volume set of the 1985 Colliers Encyclopedia, which was given to us as a gift.

We deliver books twice a month to the Mt. View Nursing Home and the Jail.

Books that are not available at Gafney can be borrowed through our Interlibrary Loan, or from the State.

For those people who cannot get out, we have a home delivery service. Call during library hours at 522-3401.

Our circulation for the year 1985 was 15,966 books; and we processed 573 new books.

The Serendipity Room was used by the Budget Committee, and the Wakefield Homemakers Group. Also, we held three adult programs sponsored by the Council for the Humanities, and we held two art exhibits.

Information about the use of the room may be had by calling the Library during their regular hours.

The Board of Directors wish to thank all who contributed to the Building Fund.

Library hours are: Tuesday 1:00 to 7:00 p.m., Thursday 1:00 to 5:00 p.m., and Saturday 11:00 to 4:00 p.m.

UNION VILLAGE LIBRARY ANNUAL REPORT, 1985

The Library room was newly decorated in the Spring by Trustee Sherman LeJeune. A much needed electric typewriter was purchased to replace the borrowed one which had been used previously.

A well attended Story Hour was held during the summer months with Eleanor Eastman and Chris Fuller as Story Ladies. The Librarian continued to visit the school twice monthly with a Creative Dramatics program and the school children visited the Library regularly.

The Womens Fellowship sponsored a reading contest during the winter months and the losing team provided a dinner and Library related program for the September meeting.

The donations of money and books by many friends are greatly appreciated. The monetary contributions help considerably with the purchase of needed childrens books and current best sellers which are always in demand.

We have added 149 books to our collection plus 30 paperbacks excluding the many which are donated to us. We have a fine new Medical book which was given to us in memory of Rev. Marshall Stevenson by the Laconia Public Library.

We have 109 regular subscribers besides the school children.

EAST WAKEFIELD FIRE STATION REPORT 1985

During 1985 The East Wakefield Fire Station moved nearer to completion by the installation of two louvers and aluminum siding on both gable ends of the building. An aluminum roof was installed on the hose drying tower. The outside concrete block walls were waterproofed. Most of the electrical work was done such as installing a donated yard light, twelve ceiling lights and two circulating ceiling fans. The existing ceiling was covered with one inch thick styrofoam insulation and one half thick sheetrock, the sidewalls were covered in a like manner. The sheetrock has been patched and taped. The overhead doors were framed and insulated. A well and water system was installed. The oil fired heating system is being worked on at this time.

The first organizational meeting was held on February 10, 1986. The second meeting is scheduled for March 16, 1986 to organize the fire department and the auxiliary also to elect officers for both units.

The target date to complete this fire station is June 15, 1986 and be operational by August 15, 1986.

This fire department wishes to express their appreciation for the help and support that it has received from town officials, Sanbornville fire personnel and many interested residents of Wakefield.

Respectfully Submitted
For the Building Committee
